### DUAL-ELIGIBLE SPECIAL NEEDS PLANS (DSNP)

Humana's DSNPs offer beneficiaries who qualify for both Medicare and Medicaid with \$0 or low cost copays for many medical and pharmacy services, as well as rich supplemental benefits like dental coverage, eye exams and glasses, over-the-counter allowance, hearing aids, and more. DSNPs allow year-round enrollment. Eligible members must meet Medicaid requirements to enroll in these plans.

### VALUE PLUS PLANS

A Value Plus Plan is a Medicare Advantage plan offered by Humana with those eligible for both Medicare and Medicaid in mind, but since it's a Medicare Advantage plan, it's available to anyone with Medicare.

Dual-Eligible Medicare and Medicaid beneficiaries will receive \$0 or low cost copays for many medical and pharmacy services, as well as rich supplemental benefits like dental coverage,

eye exams and glasses, over-the-counter allowance, hearing aids, and more. Dual eligibles may enroll in this plan year-round. Unlike a DSNP, if a beneficiary loses Medicaid status, they are not required to change health plans – they will keep this plan, but will lose their Medicaid benefits.

Value Plus Plans also appeal to Medicare beneficiaries who are familiar with Original Medicare benefits and cost sharing, who also desire pharmacy coverage and rich supplemental benefits.
